

Review:

- State of Nature: wolf of human, war of everyone against everyone,
- Self protection: survive, interests,
- Hidden hand: public interests, security, public survival,
- Civilized State: safety vs. freedom.

Small talk about the relation between
the Christianity and Hobbes' thoughts:

The relation between religion and State?

Ethics

Moral and Sitte (Sittlichkeit)

State and ethics

Good and bad vs. God and evil

Sovereign and God

Atomization

More Individual

More social

More english

More continental

More empirical

More ideal

Less governed

More governed

Less centric

More centric

More natural

More artificial

More relative

More absolute

Man's rights:

- Freedom of selection
- No natural obstacle
- Right of contracting
- Maneuver in the allowed territory
- Changing the State

Leviathan's rights:

- Power is inalienable
- Everyone is subject of all the governor's acts
- Teaching (cultural policy making) – thoughts and believes

International Relations and Hobbes' thought:

Realism

Absolute interests

Power politics

Police of the world

Post-cold-war world

UNSC, US etc.?

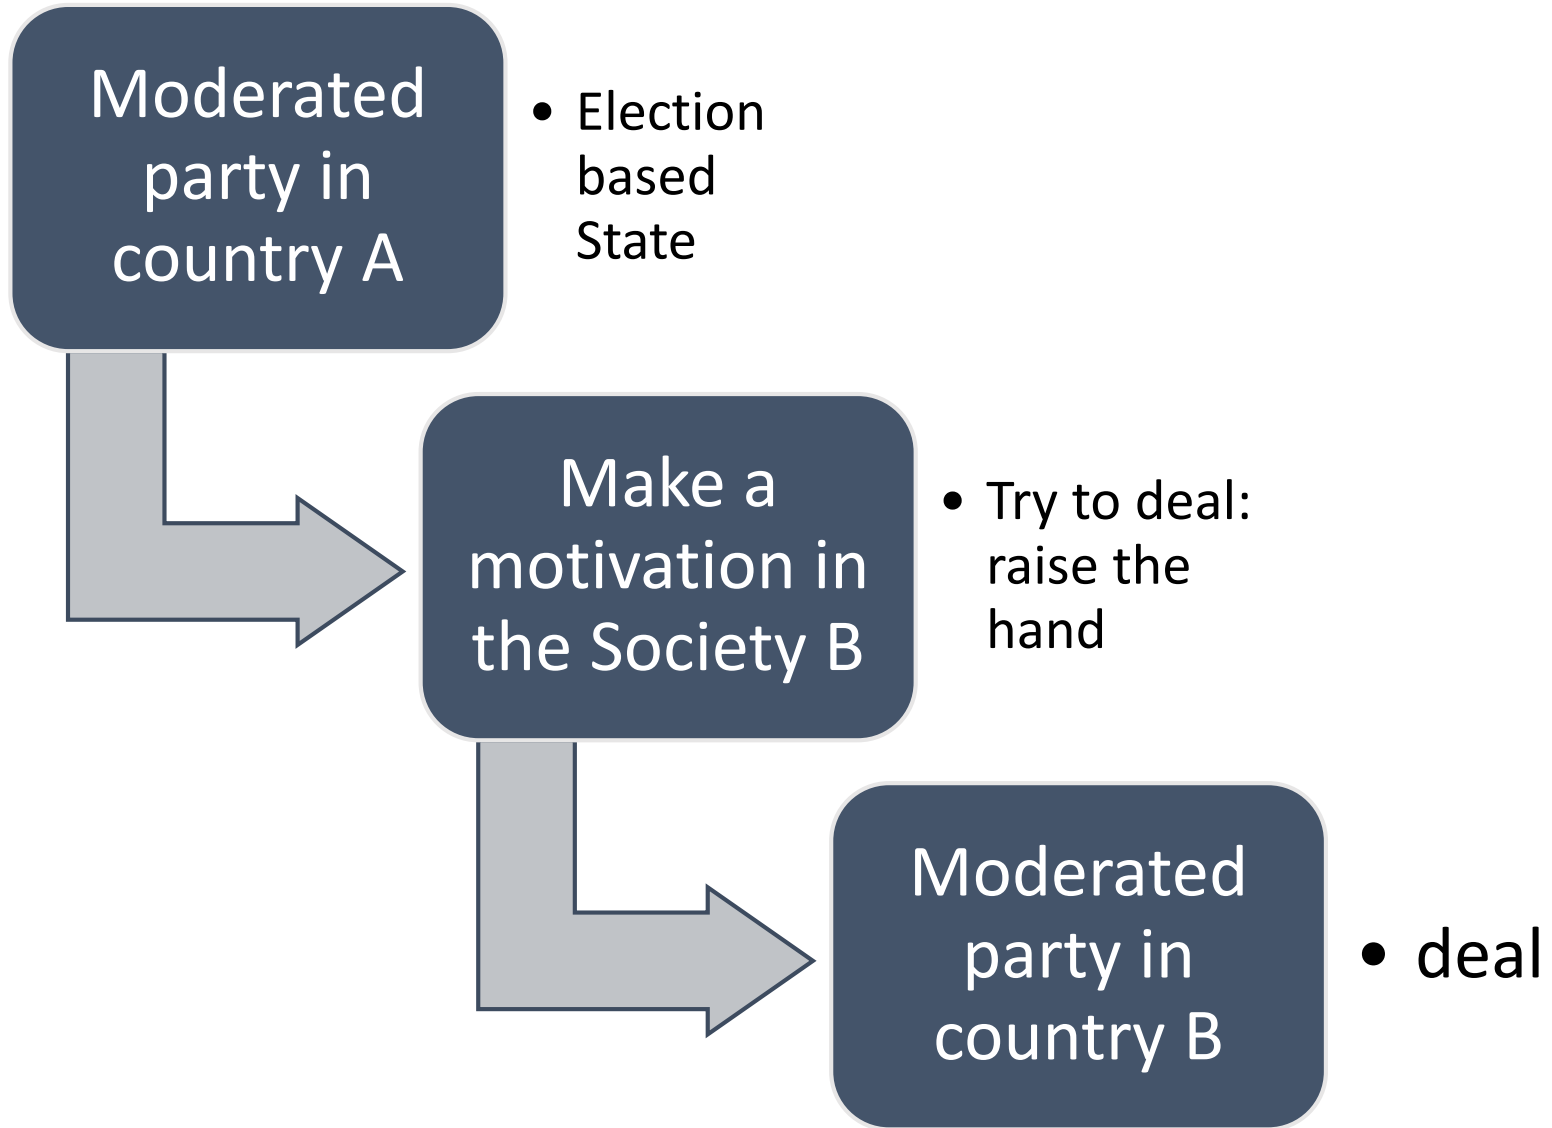

The former, current and future world order

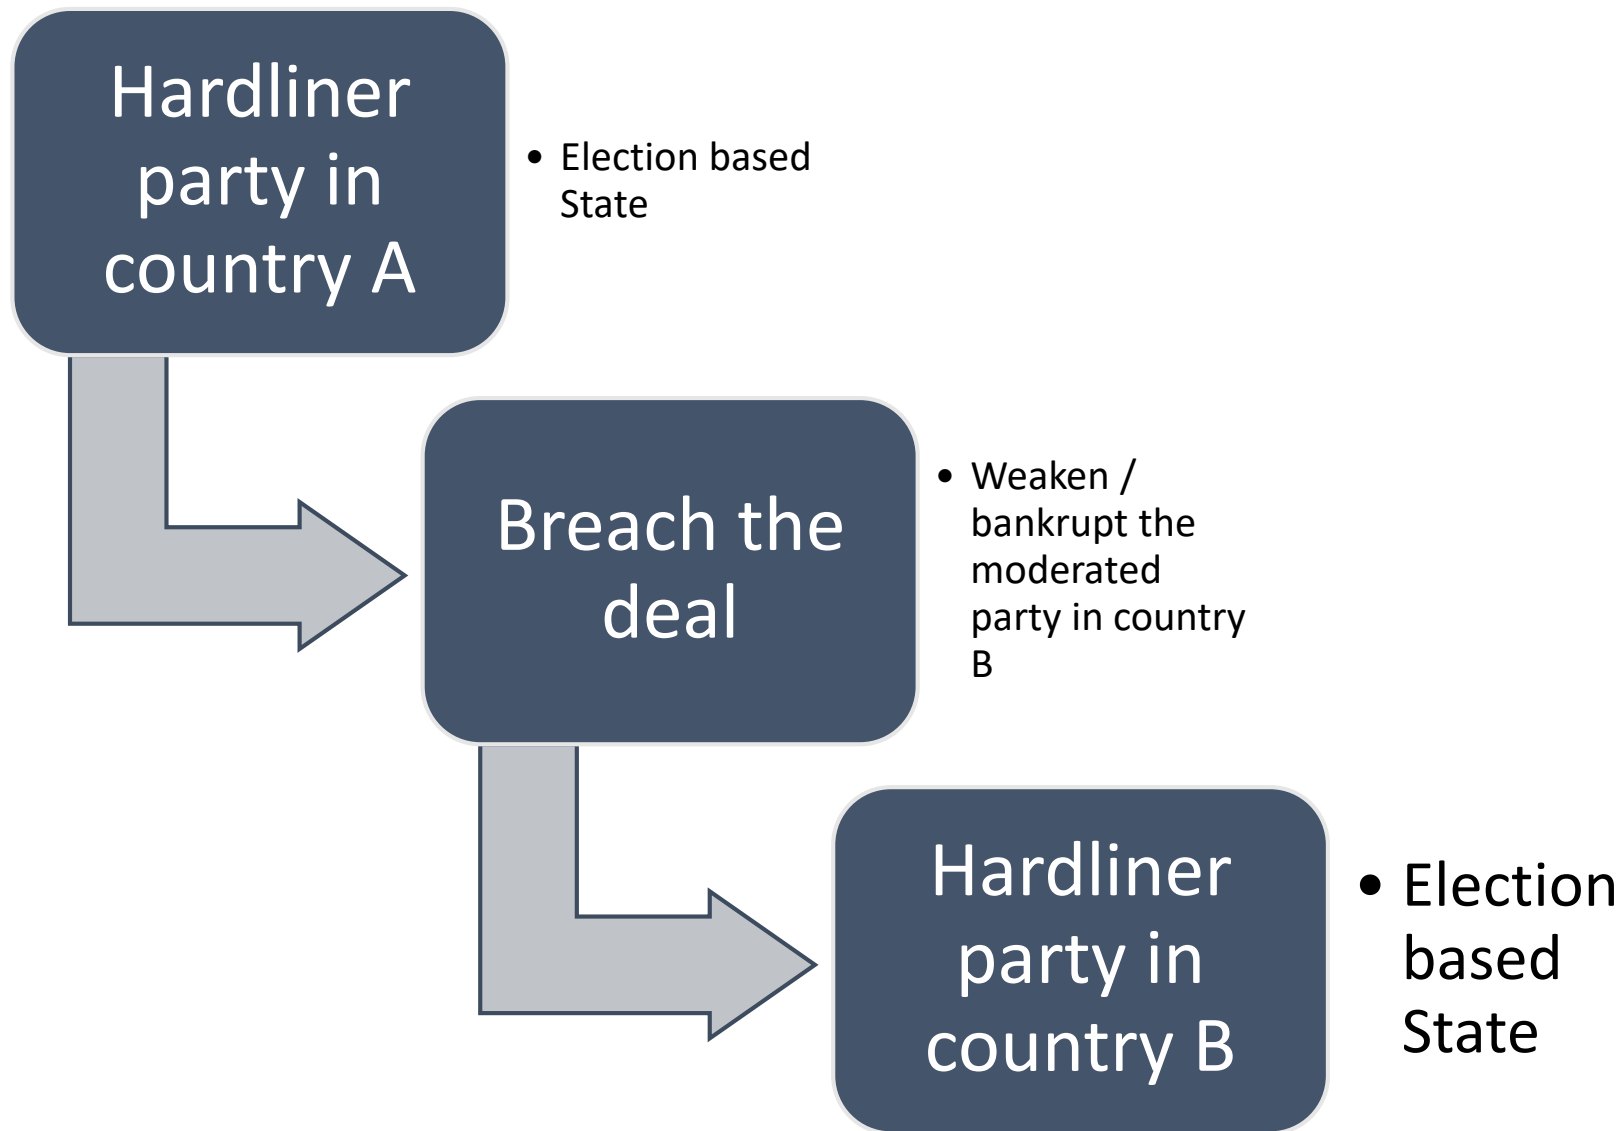

Domestic politics vs. foreign affairs?

- Independence
- Continue of domestic politics
- Influence / espionage
- Indirect impact

Thanks for your attention.
